Council Here Holds First Meeting Of New Year

Reeve Charles Brandon was in the chair for the first Council Meeting of the year 1972, with all members present.

Moved by Roy Windover, seconded by Robert Gorrie, that the clerk be authorized to tender for dump truck the specks to be supplied from the Department of Transport and Communication. Subject to the approval of the D.T.C. Carried.

Moved by Reg Booth, seconded by Doug Pritchard, that the Road Superintendent be authorized to tender for a replacement for the Trojan leader — with trade-in of Trojan on a comparable unit subject to the approval of the Municipal Road Engineer — D.T.C. Carried.

Mr. P. E. Davidson, P. Eng., Regional Engineer for the Department of the Environment Waste Management Branch was present to discuss with Council the various controls and procedures that will be necessary to maintain the present Scotch Line Dump and any others. Mr. W. Titzman, Mr. J. Garbutt and Mr. B. Stevenson were also present as concerned residents who live in the area where the dump is located.

Discussion centred on the transformation from a dump site to a land fill site. Considerable increase in costs are expected in this change. Council, at the same time felt that the Municipality continue looking for a new site away from any residential area. Everyone present agreed that there will be great difficulty in locating a new site.

A Draft Plan of Subdivision was received from the Department of Municipal Affairs for Lot 8, Concession 13, Minden Township.

A Draft Plan of Subdivision was received from the Department of Municipal Affairs for Lot 4, Concession 7, Minden Township.

Letter of complaint was received from Mr. Robert Minto regarding an accident on Kashagawigamog Road. The claim was referred to the Insurance Adjusters for processing.

Moved by Roy Windover, seconded by Reg Booth, that the clerk write the Municipality of

Stanhope offering the used Fire Truck and certain equipment for a price of \$4,500.00. Carried. Letter was received from persons interested in renting ice in the new proposed Community Centre for summer hockey school. The matter was deferred until more status of the project is finalized.

Moved by Reg Booth, seconded by Roy Windover, that Council do hereby approve the following grants for the year 1972. Minden Agricultural Society, \$100.00; Minden Red Cross Hospital \$50.00; Minden Winter Carnival Committee \$100.00 Carried.

The Clerk was requested to compile a financial report on the operations of the Fire Department with particular reference to the provision of fire fighting services to surrounding Municipalities.

Moved by Roy Windover, seconded by Reg Booth that the Road Accounts be approved in the amount of \$20,057.43. Carried.

Moved by Doug Pritchard, seconded by Robert Gorrie that the Accounts be approved in the following amounts: General \$55,091.90; Water \$4,801.01. Carried.

Moved by Reg Booth, seconded by Doug Pritchard, that Roy Windover be appointed as this Council's representative to the Minden Red Cross Association for the year 1972. Carried.

Moved by Reg Booth, seconded by Doug Pritchard, that the following be appointed to the Committees of Adjustment: Jack Johnson, term to expire January 1 1975; Mark Vasey, term to expire January 1, 1973. Carried.

Moved by Reg Booth, seconded by Doug Pritchard, that the following be appointed to the Minden Recreation Committee for the year 1972. Larry Scott, Patricia Campbell, Norman Harrison, Richard Parisotto, Bob Beene, Reginald Booth Douglas Pritchard.

Moved by Roy Windover, seconded by Robert Gorrie that the following be appointed to the Minden Community Centre Board of Management for the

(Continued on Page 2)

YOUTH RECEIVES TWO YEARS ON PROBATION

A Victoria County General Session jury took less than one hour Wednesday to convict a staff member of a boys' summer camp in Minden of criminal negligence in the shooting of a camper in the summer of 1970.

Judge H.E. Richardson placed Campbell Scott Taylor, 19, of Prescott, a student at Loyola College, Montreal, on probation for two years.

The charge arose out of the shooting of Peter Holtby, now 16, of Toronto, in August two years ago at Camp Onandaga.

Holtby said he was picking up pop cans to be used as targets at the camp's rifle range when he was struck in the mouth by a bullet from a .22 rifle fired by Taylor.

Taylor, it was learned was a staff member at the camp and was, in fact in charge of the rifle range.

The accused in his defense, said he did not know the gun was loaded although he admitted sighting it across a wooden backstop at the end of the 60-foot rifle range.

The Holtby boy was in hospital on four occasions for treatment for the wound, one occasion for a bone transplant for his lower jaw.

The jury made no finding on a second charge of dangerous use of a firearm.

NO INJURIES IN CAR-BUS COLLISION

A car and a school bus collided Wednesday afternoon on the South Lake Lodge Road, about four miles south-east of Minden. There were about 20 homeward-bound students on the bus, report Minden OPP but no one was injured.

Driver of the bus was Frank Carpenter, 63; the car driver was Robert Wilson 32. Both men are Minden residents.

Police said the vehicles collided on a slight curve in the narrow roadway at about 4:15 p.m. Damage was estimated at \$125 to the bus and \$375 to the car. Provincial Constable Mike Maher investigated.

MAN KILLED HERE ON WEEKEND - RUNS INTO CAR, WHILE RIDING ON A SNOWMOBILE

Another name was added to the growing list of snowmobile victims in this area over the weekend.

Dead is Donald Emmerson Beemer, 26 of Morningside Ave. West Hill, driver of a snowmobile which crashed head-on into a car on Horseshoe Lake Road about three miles north of Minden on Sunday afternoon.

Driver of the car was James William Smith, 43 of Scarboro

Road, Toronto.

The force of the impact hurled Beemer off his machine and caused an estimated \$700 damage.

ROTARY BINGO TO START FEBRUARY 3RD.

It was decided at the Rotary Club meeting on Monday night that the Club would start their Thursday night bingos on February 3rd, in the Kinsmen Centre at Lutterworth School. Bingo will start at 8:00 p.m. sharp. One Early-Bird game will be played prior to this time.

Also at the Monday night meeting the Directors passed a motion to donate \$400.00 to Minden Minor Hockey. They have been sponsoring Minor Hockey and Figure Skating in Minden for many years.

The Rotary Club of Minden has been responsible for the beautiful park along the Gull River, across from the Post Office, it is being studied at the present by the Club to continue this project.

"WE SELL THE EARTH AND INSURE IT'S CONTENTS"

HERE AND THERE

with Fenwick Finch

If you are looking for an evening of nostalgia — something to take you back to the thirties when local dance halls were THE thing and every small community ran small party dances then let me

recommend the "MOM and DADS" to you. Right now they are about the hottest recording combo on the scene.

Listening to their music will easily take you old-timers, (like myself) back to the hey-day of pavillions at Greenhurst, Bobcaygeon and Long Beach. (who will ever forget "Verginia Dare and her all girl orchestra"?). Later on Gil Watson of Old Mill fame opened up Gil Mar Lodge. Lets not forget the "Wonderland" at Coboconk and Al Perrins "Golden Slipper at Haliburton. Most of these places have all gone by the board and no longer even look like they did — however, the "MOM and DADS" will bring it all back to you and you'll feel the years drop off your shoulders.

It's nearing the end of the month and the Annual Minden Winter Carnival. Despite the fact we have no arena every effort is being made to see that this year's Carnival will be the "BEST" yet.

I understand the main street will be turned into a Mall and the stage entertainment and other festivities will be held here.

If the weather stays good there will be ice surfaces at the Fair Grounds and the snowmobile races etc. will be held there as well as the ice events.

The Carnival Committee needs all the help they can get as there is more work involved than in past years.

Speaking of Winter Carnivals, Haliburton, Fenelon Falls, Bobcaygeon are all in the act and their dates pretty well coincide with ours. If you're trying to decide which one to hit — come to Minden where the idea started.

I understand Sir Sam's Inn is well under way — I'd suggest you 'phone ahead and not be disappointed — for, when they get busy they get busy.

I also understand that a new subdivision is being opened up just over the hill behind Sir Sams — the property is being picked up fast — suggest you call Bob Bishop Jr. in Haliburton before you are left out in the cold.

No doubt you have watched the TV play the "psychiatrist" — I've seen it the odd time and always marvelled at the fact that all his patients are female, I guess men don't need his services.

About half way through every program the good Doctor uses the same line — "Mrs. so and so, it's time for the couch."

I have an answer for his female patient — the use of the line would be alright with me. Her answer would be — "Nothin' doin' Doc. that's where all my problems started." Well, it was just a thought.

Just a reminder for the Winter Carnival. January 28th. Sock Hop, crowning of Beauty Queen and Registration. January 29th Main Street Mall and Stage Show. January 30th. Snowmobile events etc. at the Fair grounds.

Drive carefully — about 8 snowmobilers didn't make it over the week-end a couple of weeks ago. Enjoy your snowmobile but, don't let it get the best of you. Be around and enjoy the Winter Carnival I think you'll find it worth your while.

COUNCIL HERE HOLDS FIRST MEETING OF NEW YEAR

(Continued from Page 1)
year 1972. Larry Scott, Patricia Campbell, Norman Harrison, Richard Parisotto Bob Beeney, Reginald Booth, Douglas Pritchard. Carried.

Moved by Reg Booth, seconded by Robert Gorrie, that the following be appointed to the Library Board for the year 1972: Irene Moore, Shirley McGee, Lionel Rowe, Robert Gorrie. Carried.

Moved by Reg Booth, seconded by Roy Windover, that this Municipality joins the Ontario Good Roads Association for the year 1972. Carried.

Moved by Roy Windover, seconded by Reg Booth, that By-law No. 72-1 having been read a first time, be considered as read a second and third time and passed.

This being a By-law to authorize the borrowing of \$204,400.00 to meet until the taxes are collected, the current expenditures of the Municipality for the year. Carried.

Moved by Reg Booth, seconded by Doug Pritchard, that By-law 72-2 having been read a first time be considered as read a second and third time and passed.

This being a By-law to establish a Cemetery Board for the Townships of Anson, Hindon and Minden. Carried.

Moved by Reg Booth, seconded by Roy Windover, that By-law 72-3 having been read a first time be considered as read a second and third time and passed.

This being a By-law to amend By-law 71-32, being a By-law to allow commutation of frontage and connection charges under Waterworks Project No. 6-0204-69 (to extend the deadline from December 31, 1971 to February 15, 1972). Carried.

Moved by Doug Pritchard, seconded by Reg Booth, that By-law 72-4 having been read a first time be considered as read a second and third time and passed.

Being a By-law to amend the rates of remuneration of certain employees of the Townships of Anson, Hindon and Minden. Carried.

Moved by Reg Booth, seconded by Doug Pritchard, that By-law No. 72-5 having been read a first time be considered as read a second and third time and passed.

Being a By-law to regulate the hours of work, vacation allowances, sick leave and other fringe benefits for all employees of the Townships of Anson, Hindon and Minden. Carried.

Moved by Robert Gorrie, seconded by Roy Windover, that we do now adjourn. Time: 6:00 p.m.

MIDGETS END LEAGUE PLAY WITH VICTORIES

After suffering a 7-0 trouncing at the hands of the Haliburton Midgets last Tuesday evening the Minden Midgets defeated Bobcaygeon Tiger Cats 3-2 in a play-off type hockey game in Bobcaygeon on Thursday, then blanked Fenelon Falls 6-0 in Haliburton on Sunday, to end their season tied for second place.

On Tuesday night in Haliburton the midgets just couldn't get untracked as passes went astray, the defence gave the puck away in their own end and their shooting when in the Haliburton zone was anything but straight. Haliburton outshot Minden 32-18 in this game and capitalized on almost every break they got.

On Thursday in Bobcaygeon the game was a classic. The first period scoreless, with both teams feeling one another out. At the five minute mark of the second period Kirk Hewitt slammed home a John Welch rebound to put Minden ahead 1-0. But, as in previous games this year the Minden defence set up the opposition with the equal-

izer less than a minute later. At the fourteen minute mark Bill Jackson carried the puck to centre and passed ahead to Kirk Hewitt who in turn crossed the blue line and sent a perfect pass to John Welch who made no mistake in drilling the puck past the Cats netminder. The second period ended 2-1 for Minden. The third period was strictly a goalies period. There were saves made in this period that were next to impossible at both ends. However Bobcaygeon tied the game at the twelve minute mark of the period and it appeared this is how the game would end. With three minutes left in the game Royce Miller was trying to get the puck out of his end but was being harassed by two Bobcaygeon players, finally he flipped a backhander out to center where Bill Jackson picked it up in full flight down the left side and let go with a blistering slapshot that caught the upper right hand corner of the net and put the Minden team ahead 3-2 and eventually was the winning goal. The Bobcay-

geon team outshot Minden 38-37. Minden goalie Bob Dudman had to rate as the games first star, as he played the best game of the season and of his young career in this game.

On Sunday in Haliburton the Minden team completely dominated play as they whitewashed the Flyers 6-0, which really flattered the Fenelon team as Minden spent practically the whole evening in the Flyer zone. Wayne Harrison scored twice for Minden, while Doug Ray, John Welch, Bill Jackson and Kirk Hewitt added singles.

Wayne Moxam picked up the shutout. Minden outshot Fenelon 44-18.

The Minden Midgets now have a two week lay off while they wait to see who they will be playing in the play-offs.

CARNIVALS ARE BIG

High on the list of winter activities in tourist towns across North America are the Winter Carnivals — some have different names, but basically they all have the same idea in mind. I guess

winter capers of one kind or another have been taking place from day 1, but only in the last decade or so have they grown so popular — and now with snowmachines, they have become a must on everyone's agenda for a fun-filled weekend.

This one is number twelve for Minden, and although we have been rained out on two or three occasions, Minden has always staged one of the finest in the country. Needless to say, when we get the new arena built in the Fair grounds for next years tilt, we will take over as the "Little King" of the Winter Carnival circuit.

The cry is out for more help, and the reasons are many — it takes a great many hands to stage an event which has so many items on the program. If you can be of any service, please give your name to Ed Pettinger, Carnival Chairman, Reg Welch or Gerry Heywood Vice-Chairmen.

Like most events the reasons are many for attempting such a large undertaking as a Winter Carnival. I think it is safe to say, here in Minden, it was felt twelve years ago, business in the area was slow in winter months, and everyone had time to get together with their friends, both locally and summer residents as well, for a good-time weekend. Business today in winter months has certainly picked up by quite a large percent, but at Carnival time it is still a good opportunity to make new friends and renew old acquaintances.

We mentioned last week a few who were helping on various committees, we lacked space to mention them all, so this week we will give you another rundown of those to see if you want information on any one event. Don Hall is treasurer of the Carnival Committee; Marg McKay is once again in charge of accommodation, if anyone is interested; Roy Bishop is in charge of the Lucky Draw for a 1972, 16 h.p. Cadet Moto-Ski. Tickets sell for 50 cents each, make sure you buy one and help support the Carnival Committee — they can be found in most places of business throughout Minden. Bill O'Brien is in charge of selling Carnival Buttons and will assist you in getting programs etc; Cameron Brown and Dwight Thomas are looking after the Sock Hop, and will be more than happy to sell you a ticket for this dance. Hugh Kirkland has been a great help in making up signs and posters, and his wife is helping a great deal with the catering service at the dances. Last but not least Rev. Andrew Hutchison will hold an open-air service on Sunday, January 30th at the Fair grounds, in what should prove very interesting, an Ice Chapel. Service will be at 11 a.m. For once you can leave your frills at home, just come dressed for the weather. Rev. Hutchison will also act as the M.C. on stage in the Main Street Mall, for much of the entertainment and activities.

So there you have a little more information on our Winter Carnival — it certainly looks well organized and a lot of fun from this corner.

SOMERVILLE REEVE NEW VICTORIA COUNTY WARDEN

Victoria County Council on Tuesday afternoon elected their 112th warden since the county was formed in 1861. Somerville Reeve Maurice Watson was elected on the first ballot to become the 101st person to serve the county as warden.

Maurice Watson is also the tenth Somerville reeve to be elected to represent that municipality as warden.

Reeve Watson's name was submitted in nomination by Bexley Reeve George Shepherd and Eldon Township Reeve Claude Hopkins.

The name of Fenelon Township Reeve Mervyn Moore was placed in nomination by retiring warden Robert Thompson and Deputy Reeve David Murray of Fenelon township.

On the first ballot Reeve Watson received 19 votes and Reeve Moore received eight votes by a poll of the council members, and Reeve Maurice Watson was declared Victoria County Warden for 1972.

Maurice Watson has been a member of county council for seven years and serving the public is not new to him. Mr. Watson recently retired as telephone services man in his municipality and he has maintained a close contact with the ratepayers.

Maurice Watson succeeds Bobcaygeon Reeve Robert Thompson as warden of Victoria County. C.O. Hodgson last represented Somerville township as warden in 1961. Other wardens elected from Somerville township include A.N. Wilson in 1948, Joseph Handley in 1934, Alexander Morrison in 1919, R. A. Callan in 1911, John Austin in 1902, and John Fell in 1876, 1874, and 1869.

SPORTS CORNER

with CLIFF BURKE

WINTER CARNIVAL ACTIVITIES —

The Kinsmen of Minden will be holding Snowmobile Races at the Minden track up at the fairgrounds on Carnival weekend. I'm told that there will be all classes in both Stock and Modified. The starting time of these races are 11:00 a.m. Saturday morning. There will be cash prizes as well as trophies at this years races.

The Broomball Tournament is rounding into shape with five teams entered as of this writing. These being: Minden Hylanders, Red and White Tel-Stars, Minden O.P.P., Minden Horseshoe Lakers and a team from Beaverton. Still to be heard from are Minden Kinsmen and Cannington.

MINOR HOCKEY —

On Friday the Minden Novices played an exhibition game against Haliburton and came away with a tie 2 - 2. This was the third tie between these teams in as many meetings. Leslie Booth and Tom Gough scored the Minden goals.

On Saturday the Novices travelled to Woodville and defeated them quite handily 8 - 3. The only time Minden was in any trouble was late in the first period when, after forging into a 3 - 0 lead they had a brief defensive lapse and Woodville scored two quick goals to end the period 3 - 2. From the start of the second period on Minden was in complete command of the game.

On Sunday in Haliburton, the Novices continued where they left off in Woodville by trouncing the visitors 6 - 1. Goals scored for Minden in the two games were, Brian Shaw and Tom Gough with three each, Paul McKenzie and Mark Greir had two, while singles went to Leslie Booth, Corey Coneybeare, Jim Hatkoski, and Garry Harrison. Novices next game is at Haliburton on Sunday against Fenelon Falls.

On Sunday evening in Haliburton the Minden Mites went on a scoring binge, bombing the visiting Coboconk Mites 11 - 0. Led by Harold Porter who had five goals and three assists for the night, the Minden team was never in trouble. The remainder of the scoring was done by Lenny Blaskivich and Brent Moxam with two each while Scott Arbuthnot and Shane Blakey had singles to round out the scoring. Mites next game is at Kinmount on Saturday.

Minden Pee Wee 'A's' Lose To Haliburton

The Pee Wee A's played one game last week and suffered another defeat, 4 - 2 at the hands of Haliburton. Pete McKenzie and Gerry Campbell scored for Minden.

The Minden Pee Wee B's dropped a heartbreaker to Coboconk this past week 1 - 0. Brian Hogg was superb in the Minden net, but his mates just couldn't find the range against the Coby netminder.

CURLING —

The Tuesday night men's league finds a log jam for first place between Bill Payne, J. O. Jackson and Percy Brintnell each with 40 points after six games.

The Wednesday afternoon ladies league now finds Marg Windover battling Ina Brintnell for top spot. Each team now has 35 points after five games.

The Thursday mixed league is the strangest league of all with the four top teams with 3 - 1 records while the bottom four teams all have 1 - 3 records.

The Friday mixed league seems to be the best balanced league of all, with Doug McGee presently in first place with a 4 - 1 record. The rest are closely bunched right behind with the seventh place team only two games off the pace.

RED CROSS

IS ALWAYS THERE

WITH YOUR HELP

JUST FLYING BY — PILOT COMES TO RESCUE

A Whitney man who just happened to be flying over Rainbow Lake, Monday, January 14, was responsible for rescuing a pilot and passenger from a downed aircraft.

CPP here said detachment snowmobiles had spent six hours in the bush Monday night without being able to reach the lake, but they were notified late that night that Douglas Brown of Whitney, who had spotted the damaged aircraft and two men while piloting his own plane in the area, had returned by snowmobile and successfully got the men out and to Huntsville.

Rescued from the ice on Rainbow Lake in the northern part of Haliburton County were pilot James Mitchell, and his passenger Frank Pelling, both of Huntsville.

Police said Mitchell had presumably been attempting to land his 3-seater aircraft on the lake so they could go ice fishing when the light plane hit a snowbank and flipped over. Neither man was injured.

Police said Mitchell's plane will have to be dismantled to be brought in off the lake.

The Expropriations Act

NOTICE

OF APPLICATION FOR APPROVAL TO EXPROPRIATE LAND

Department Of Transportation And Communications
IN THE MATTER of an application by the Minister of Transportation and Communications for approval to expropriate In the Township of Minden, in the Provisional County of Haliburton, in the Province of Ontario.

FOR THE PURPOSE of acquiring sufficient land to widen Highway Number 35.

NOTICE IS HEREBY GIVEN that application has been made for approval to expropriate the land described in the schedule hereof.

Any owner of lands in respect of which notice is given who desires an inquiry into whether the taking of such land is fair, sound and reasonably necessary in the achievement of the objectives of the expropriating authority shall so notify the approving authority in writing.

(a) in the case of a registered owner, service personally or by registered mail within thirty days after he is served with the notice, or, when he is served by publication, within thirty days after the first publication of the notice;

(b) in the case of an owner who is not a registered owner, within thirty days after the first publication of the notice.

THE APPROVING AUTHORITY IS

Minister of
Transportation and Communications
Parliament Buildings,
Toronto 5, Ontario.

Minister of
Transportation and Communications
W. G. Wigle, Director,
Right-Of-Way Branch.

1. The Expropriations Act, provides that,

(a) where an inquiry is requested, it shall be conducted by an inquiry officer appointed by the Minister of Justice and Attorney General;

(b) the inquiry officer,

(i) shall give every party to the inquiry an opportunity to present evidence and argument and to examine and cross-examine witnesses, either personally or by his counsel or agent, and

(ii) may recommend to the approving authority that a party to the inquiry be paid a fixed amount for his costs of the inquiry not to exceed \$200 and the approving authority may in its discretion order the expropriating authority to pay such costs forthwith.

2. "owner" and "registered owner" are defined in the Act as follows:

"owner" includes a mortgagee, tenant, execution creditor a person entitled to a limited estate or interest in land, a committee of the estate of a mentally incompetent person or of a person incapable of managing his affairs, and a guardian, executor, administrator or trustee in whom land is vested;

"registered owner" means an owner of land whose interest in the land is defined and whose name is specified in an instrument in the proper registry, land titles or sheriff's office, and includes a person shown as a tenant of land on the last revised assessment roll;

3. The expropriating authority, each owner who notifies the approving authority that he desires a hearing in respect of the lands intended to be expropriated and any owner added as a party by the inquiry officer are parties to the inquiry.

SCHEDULE

All right, title and interest in the land described as follows:

In the Township of Minden, in the Provisional County of Haliburton, in the Province of Ontario being:

(a) Part of Lot 2, Concession 4, designated as PART 22 on Department of Transportation and Communications' Plan P-2904-39 deposited in the Registry Office for the Registry Division of Haliburton as Plan 19R-212.

(b) Parts of Lot 10, Concession 9, designated as PARTS 4, 5, 6, 7, 9, 10, 11, and 12 on Department of Transportation and Communications' Plan P-2904-42 deposited in the Registry Office for the Registry Division of Haliburton as Plan 19R-215.

(c) Part of Lot 14, Concession 11, designated as PART 9 on Department of Transportation and Communications' Plan P-2904-43 deposited in the Registry Office for the Registry Division of Haliburton as Plan 19R-218.

(d) Part of:

(i) Lot 2, Concession 6, designated as PART 23

(ii) Lot 3, Concession 6, designated as PART 21

On Department of Transportation and Communications' Plan P-2904-47 deposited in the Registry Office for the Registry Division of Haliburton as Plan 19R-217.

This Notice first published on the 6th day of January, 1972.

DOLLARS AND GOOD SENSE

by William J. Martin

Mr. Martin serves as special consultant to Avco Financial Services. All questions should be sent to him at P.O. Box 5875,

London Ontario, Canada. Those containing a name and address will be answered in this column or by direct return mail. No names will be used in print.

How did you and your family fare in 1971? Was it a good year for you? Can you prove it either way?

I mean, do you have all the records and other paperwork to substantiate your dealings during the year? Now is the time to start gathering these documents so that when tax time comes in a few months, you'll be able to have a complete report made.

If you've been keeping records faithfully throughout the year, you should be fully prepared to take advantage of all the tax deductions to which you are entitled. If not, get busy now while you still have some time before those tax deadlines.

In many cases what you can't locate at home can be duplicated by others who have access to these documents. This takes a little time, however, and that's why it's important not to wait any longer to get started.

Without this documentation of your affairs during the past year, you could lose out on many deductions which are legally yours to take. It's hard enough to pay the taxes you properly owe, but it's much worse when you end up paying too much because you either forgot about certain deductions or couldn't support certain transactions with documentation.

Of course, now that I've got you thinking about proper record keeping, I hope you follow through for 1972. Keep your important records and papers in a safe secure place where you and other members of your family can find them without unnecessary delay.

Check with your bank or savings and loan association about getting a safe deposit box for those key documents you have and set up a filing system at home for routine records.

You don't need to become a bookkeeper to accomplish this, but it is important that you establish a good, workable record filing system. You could save quite a bit of money by putting your hands on the right papers when you need them.

Choosing The Snowmobile For You

In the early days of snowmobiling, for many people it was enough just to own a machine, without giving too much thought to getting the exact, right machine for their own individual or family type of winter fun.

Now, however, with the greater sophistication of machines (and buyers!) most new owners are carefully analyzing—and seeking out—exactly what they want in a snowmobile.

As an aid to this selection process, the recreation experts at Mercury snowmobiles suggest that anyone buying a machine consider the following items before purchase:

Basic Use — Will the machine be used for trail riding, racing, winter farm or ranch work, hunting, etc., or what combination of activities. Careful study here will indicate choice of a regular or wide-track machine, and help determine optimum engine size—for you!

Drivers—If women and/or children will be driving the snowmobile, will they be able to handle the bigger, heavier model the man of the family might choose?

Similarly, while manual starting might be fine for many men, most women will appreciate the convenience of an electric starter.

Other factors to consider include seating comfort, steering ease, the value to you of extra-cost accessories such as tachometers and—of course—price.

The Expropriations Act

NOTICE

OF APPLICATION FOR APPROVAL TO EXPROPRIATE LAND

Department Of Transportation And Communications
IN THE MATTER of an application by the Minister of Transportation and Communications for approval to expropriate In the Township of Minden, in the Provisional County of Haliburton, in the Province of Ontario.

FOR THE PURPOSE of acquiring sufficient land for the realignment of Highway Number 35 at the intersection of Old Portage Road.

NOTICE IS HEREBY GIVEN that application has been made for approval to expropriate the land described in the schedule hereto.

Any owner of lands in respect of which notice is given who desires an inquiry into whether the taking of such land is fair, sound and reasonably necessary in the achievement of the objectives of the expropriating authority shall so notify the approving authority in writing,

(a) in the case of a registered owner, service personally or by registered mail within thirty days after he is served with the notice, or, when he is served by publication, within thirty days after the first publication of the notice;

(b) in the case of an owner who is not a registered owner, within thirty days after the first publication of the notice.

THE APPROVING AUTHORITY IS
Minister of
Transportation and Communications
Parliament Buildings,
Toronto 5, Ontario.

Minister of
Transportation and Communications
W. G. Wigle, Director,
Right-Of-Way Branch.

1. The Expropriations Act, provides that,
(a) where an inquiry is requested, it shall be conducted by an inquiry officer appointed by the Minister of Justice and Attorney General;

(b) the inquiry officer,

(i) shall give every party to the inquiry an opportunity to present evidence and argument and to examine and cross-examine witnesses, either personally or by his counsel or agent, and

(ii) may recommend to the approving authority that a party to the inquiry be paid a fixed amount for his costs of the inquiry not to exceed \$200 and the approving authority may in its discretion order the expropriating authority to pay such costs forthwith.

2. "owner" and "registered owner" are defined in the Act as follows:

"owner" includes a mortgagee, tenant, execution creditor, a person entitled to a limited estate or interest in land, a committee of the estate of a mentally incompetent person or of a person incapable of managing his affairs, and a guardian, executor, administrator or trustee in whom land is vested;

"registered owner" means an owner of land whose interest in the land is defined and whose name is specified in an instrument in the proper registry, land titles or sheriff's office, and includes a person shown as a tenant of land on the last revised assessment roll;

3. The expropriating authority, each owner who notifies the approving authority that he desires a hearing in respect of the lands intended to be expropriated and any owner added as a party by the inquiry officer are parties to the inquiry.

SCHEDULE

All right, title and interest in the land described as follows:
In the Township of Minden, in the Provisional County of Haliburton, in the Province of Ontario being parts of Lot 2, Concession 6, designated as PARTS 5 and 7 on Department of Transportation and Communications' Plan P-2904-47 deposited in the Registry Office for the Registry Division of Haliburton as Plan 10R-217.

TODAY'S CHILD

BY HELEN ALLEN

Copyright 1972, Toronto Sun Syndicate

HIGHLY COMPETITIVE

Glen is an appealing lad who has just turned nine. He is slender with blue eyes, brown hair and fair skin. In good health, he is extremely active and has a great zest for sports. He plays hockey, baseball and lacrosse.

Glen is highly competitive, both in sports and at school with a real drive to be on top. It is hard for him to accept even a small degree of failure, so he needs parents who can help him realize that once you've done your best it's no disgrace if you can't achieve all your goals.

Glen does well in school where his teachers say he is imaginative and creative. One of his projects has been working on a puppet show where he made up the plot as it went along. He likes making things -- his own Hallowe'en costume, for instance.

This lad's foster family have a cottage where he has learned to swim, which he loves. He also enjoys frequent visits to a farm where he makes friends with the animals.

Glen would do well as the only child, or with brothers and sisters considerably older than himself. He needs parents who can make him understand he is loved for himself and not for his achievements. To inquire about adopting Glen, please write to Today's Child, Box 888, Station K, Toronto.

COUNCIL AT LUTTERWORTH HELD INAUGURAL MEETING

The inaugural meeting of the Municipal Council was held on January 10th, at 7:30 p.m. Those present were Reeve, Donald Williams in the chair, Deputy-Reeve Albert Shingler, Councillors Mildred Taylor-Munro, Dean Leary and Peter Valentine, By-Law Enforcement Officer Kenneth Bowron, Road Superintendent Floyd Miller and Clerk-Treasurer Elinor Burke. Also in attendance was Rev. A. Hutchison.

After the declarations were made Rev. Hutchison led those present in The Lord's Prayer, followed by blessings and prayers for the new Council throughout the coming year.

Moved and seconded: that the minutes of the December 22nd meeting be adopted as read. Carried.

Moved and seconded, that the following accounts be paid General \$9,319.55 and Welfare \$632.06. Carried.

The correspondence was then read and the following action taken thereon:

That the University of Toronto be advised of the Township's policy not to plow private driveways, and suggest that it contact a local person to keep the road into the camp open.

That Ingram Wessell be contacted to attend the next Council meeting.

Moved and seconded, that By-law No. 1-72 be read a first, second and third time, be passed, signed and the Corporate Seal attached. (Borrowing By-law). Carried.

Moved and seconded, that Fred Barry, Allan Grozelle, Ker Bowron, Floyd Pogue, Roy Sawyer be appointed Fire Wardens for 1972. Carried.

Moved and seconded, that Floyd Miller be ditch and weed inspector. Carried.

Moved and seconded that Bill Hounsell and Bill Simpson be appointed as pound keepers for 1972. Carried.

Moved and seconded, that Allan Grozelle, Bill Hounsell, and Floyd Pogue be appointed as fence viewers for 1972. Carried.

Moved and seconded, that Floyd Miller and Walter Duff be appointed as livestock valuers for 1972. Carried.

Moved and seconded, that the clerk advertise for tenders for 4,000 cu. yards of crushed stone. Carried.

Moved and seconded, that the Road Superintendent be authorized to mount Swinson sander on back of dump truck for road sanding. Carried.

Moved and seconded, that the township rate for labourers be increased to \$2.75 per hour for 1972. Carried.

Moved and seconded, that the Council does not agree to snow plow the Iron Mine Road. Carried.

ABOUT THE TOWN

With Jeanne Sears

Another Country in Europe, Denmark, has a new ruler; after the death of her father King Frederik IX on Friday, Queen Margrethe II was proclaimed Queen and will rule Denmark with Prince Henrik.

Congratulations to the newlyweds Mr. and Mrs. Dennis Leroy Billings (nee Wendy Jeanette Nesbitt) whose wedding was Saturday.

We would like to wish a speedy recovery to Mrs. Harry Cowan of Blairhampton following surgery in St. Joseph's Hospital, Peterborough. Room 342, if you would like to send a card.

Miss Lola Stevenson of Kingston was home for the funeral of her Grandfather John Davis. Others there from out-of-town were Mr. Terry Davis of Pontypool, Miss Connie Davis of Toronto, Mr. and Mrs. Mel Smith of Oshawa, Mr. and Mrs. Ivan Clarke of Oshawa, Mr. and Mrs. L. Lees and family of Toronto, Mr. and Mrs. Stanley Little of Bewdley and Mr. and Mrs. Allan Hobden of Lindsay.

Another strike is going on at the moment with Air Controllers at our Airports, tying up Air Travel. This also ties up Air Mail, and no planes are landing.

Several deaths since last week with sincere sympathy going to the families, and friends of Mrs. Aylmer Moore, Harry Dobson, Bert Coulter, and Mrs. Margaret McKnight.

Patients at the local hospital early this week included Mrs. Holly Cooper, Mrs. Linda Thompson, Mrs. Marjorie Bagshaw, Jacob Graham, and Wm. Dovell. At Toronto General are Mrs. Bob Harvey Sr., Miss Beverly Anne Prentice and Mrs. Ken O'Brien and baby girl.

In the contest "Guess the weight of the Bologna" at Minden Red and White, winner of the hamper of groceries for the correct weight was Charlotte O'Neil of Minden.

Heard on the radio -- Take-home pay is called this because it is too small to go home alone.

Hint of the week -- For easy bird-feeders put suet and seed in a basket and hang from a limb and those onion bags filled with bread crusts are also convenient.

Hilda and Mac Carey have a new granddaughter Melissa Inez Figueiredo of Binghamton N.Y. who arrived on January 4th.

Another serious accident on Sunday when a snowmobile driven by D. E. Beemer of Toronto collided with a car on the Horse Shoe Lake Road. The machine was completely destroyed and some damage done to the car as well.

We understand that there will be Ice Sculpture and Snowmen for our Winter Carnival, so young people can get busy when the snow is packy.

We had our January thaw and though the snowfall isn't as much as last year, much of it has melted. We had about 40 degrees below over the weekend.

Cheerio until next week.

Your Ski-Doo dealer is dealing like crazy.

Before you buy any snowmobile see your Ski-Doo dealer first. He's dealing on all available models.

MINUTES OF COUNCIL MEETING TOWNSHIP OF STANHOPE

Moved by Jim Harrison, seconded by Elvin Johnson that the regular meeting held Dec. 8, 1971 and also the minutes of special meeting held Dec. 21, 1971, be adopted as read. Carried.

Time For Mid-Winter Care

Most snowmobilers begin their winter of outdoor fun by having their dealer tune and properly adjust their machine for faithful service throughout the season.

This is as it should be, of course.

However, because of the hard usage given many machines and the extremes of cold and dampness under which they operate, the recreation experts at Mercury snowmobiles recommend that owners also conduct a personal mid-winter maintenance check:

Replace the spark plug(s) if there are signs of deposits, corrosion or pitting. And if plugs seem to go bad quickly, ask your dealer about use of a "hotter" or "colder" plug.

To reduce the possibility of your throttle freezing and sticking open, apply dry lubricant to the thumb lever and cable.

Check the drive belt—and replace if there is excessive edge wear or cracks. Keep in mind that need for frequent replacement may be a sign of clutch-pulley misalignment—or that your driving style abuses the machine!

Run the fuel tank dry, then clean or replace any filters in the fuel lines or tank. (Many machines have a filter in the bottom of the tank, so check your owners manual.)

Otherwise, it is just old-fashioned smart to frequently inspect your snowmobile for signs of track wear, soundness of the exhaust system, proper functioning of lights, full battery fluid level and clean terminals and condition of ski wear rods, so you or your dealer can make necessary minor repairs and adjustments—before they become major and costly!

RED CROSS

WITH YOUR HELP

Moved by J. Elder seconded by Elvin Johnson the township of Stanhope, request the Department of Justice, Fire Services Section, to conduct a municipality fire protection survey of the Township and upon completion advise the Council of it's findings. Carried.

Moved by Elvin Johnson, seconded by Ken Whitney that the Clerk ask the Department of Transportation and Communications, for a report on the traffic count on the Boskung Lake Road taken in 1971. Carried.

Moved by Jim Elder seconded by Jim Harrison that the Clerk write Mr. Christian, Parks Administrative Officer, explaining that we had a meeting with Mr. John Hubicki and Mr. D.A. Marcelj, of Totten Sims, Hubicki Associates and Council accepted the proposal for the development of a park as submitted. Council has decided to use the existing road through the proposed park. Carried.

Elvin Johnson that the clerk be authorized to refuse Welfare Assistance to any person, refusing work offered by the Township, under the Provincial Municipal Incentive Work Program. Carried.

Moved by Jim Harrison seconded by Elvin Johnson the Clerk be authorized to purchase a 3M 209 Photo Copying machine at a price of \$795. plus prov. sales tax. Carried.

Moved by Ken Whitney seconded by Jim Elder that the General Account which amounts to \$1,146.67. December welfare \$1,103.45 and Road Voucher no. 12 \$35,960.84 be allowed for payment. Carried.

Moved by Jim Elder seconded by Jim Harrison by-laws 72-1 for the purpose of borrowing money in 1972, and 72-2 to prohibit the throwing of dirt, glass etc., on roadways, both passed the required three readings were signed and sealed by the seal of the Corporation and engrossed in the By-Law Book. Carried.

Moved by Jim Elder seconded by Jim Harrison be it resolved that the January meeting adjourn at 11:30 p.m. until Feb. 2 1972 at 7:30 p.m., unless called sooner by the Reeve. Carried.

The Expropriations Act

NOTICE

OF APPLICATION FOR APPROVAL TO EXPROPRIATE LAND

Department Of Transportation And Communications
IN THE MATTER of an application by the Minister of Transportation and Communications for approval to expropriate In the Township of Minden, in the Provisional County of Haliburton, in the Province of Ontario.

FOR THE PURPOSE of acquiring sufficient land for the widening of a Township Road and the channelization at the intersection of Highway Number 35.

NOTICE IS HEREBY GIVEN that application has been made for approval to expropriate the land described in the schedule hereto.

Any owner of lands in respect of which notice is given who desires an inquiry into whether the taking of such land is fair, sound and reasonably necessary in the achievement of the objectives of the expropriating authority shall so notify the approving authority in writing.

(a) in the case of a registered owner, service personally or by registered mail within thirty days after he is served with the notice, or, when he is served by publication, within thirty days after the first publication of the notice;

(b) in the case of an owner who is not a registered owner, within thirty days after the first publication of the notice.

THE APPROVING AUTHORITY IS
Minister of
Transportation and Communications
Parliament Buildings,
Toronto 5, Ontario.

Minister of
Transportation and Communications
W. G. Wigle, Director,
Right-Of-Way Branch.

1. The Expropriations Act, provides that,
(a) where an inquiry is requested, it shall be conducted by an inquiry officer appointed by the Minister of Justice and Attorney General;

(b) the inquiry officer,

(i) shall give every party to the inquiry an opportunity to present evidence and argument and to examine and cross-examine witnesses, either personally or by his counsel or agent, and

(ii) may recommend to the approving authority that a party to the inquiry be paid a fixed amount for his costs of the inquiry not to exceed \$200 and the approving authority may in its discretion order the expropriating authority to pay such costs forthwith.

2. "owner" and "registered owner" are defined in the Act as follows:

"owner" includes a mortgagee, tenant, execution creditor, a person entitled to a limited estate or interest in land, a committee of the estate of a mentally incompetent person or of a person incapable of managing his affairs, and a guardian, executor, administrator or trustee in whom land is vested;

"registered owner" means an owner of land whose interest in the land is defined and whose name is specified in an instrument in the proper registry, land titles or sheriff's office, and includes a person shown as a tenant of land on the last revised assessment roll;

3. The expropriating authority, each owner who notifies the approving authority that he desires a hearing in respect of the lands intended to be expropriated and any owner added as a party by the inquiry officer are parties to the inquiry.

SCHEDULE

All right, title and interest in the land described as follows:
In the Township of Minden, in the Provisional County of Haliburton, in the Province of Ontario, being part of Lot 15, Concession 12, designated as PART 12 on Department of Transportation and Communications' Plan P-2904-43 deposited in the Registry Office for the Registry Division of Haliburton as Plan 19R-218.

This Notice first published on the 6th day of January, 1972.

HALIBURTON WINTER

CARNIVAL

THIS WEEKEND JAN 22 -23

The Haliburton Winter Carnival, which gets underway next weekend, will be featuring a number of new activities this year, including two snowmobile excursions, and, weather permitting, helicopter rides.

The carnival runs Friday through Sunday, providing "winter fun for everyone" through a constant round of special events.

The program begins Friday afternoon with judging of ice sculpture, followed that evening by the carnival invitational mixed bonspiel at the curling club, the official opening and dance, a carnival queen contest, and the "teen snow ball" featuring the Copper Penny rock band.

A 20-mile snowmobile trip to Koshlong Lake starts at the Rotary Beach at 10 a.m. Saturday, which should give participants time to take advantage of the campers' breakfast being served at the Legion Hall earlier that morning. The excursion includes a cookout lunch, and snowmobilers should be back in the village by 2 p.m.

Other Saturday events include the 2 p.m. parade down the main street, an afternoon concert by the Bobcaygeon Villagers Drum Corps, minor hockey all morning at the arena, an all-day exhibition and sale of crafts sponsored by the Haliburton Guild of Fine Arts, a curling bonspiel, a noon buffet luncheon at the Anglican Church Hall, a broomball match between the local firefighters and the "General Motors Maulers" from Toronto at 4 p.m., figure-skating exhibition, a "carnival feast" at the Legion, hockey in the arena, and at 8:30 p.m., a massive bonfire and fireworks display at the arena grounds.

From 9 p.m. until midnight, the carnival ball will be held in the Legion Hall featuring the "Canadian Suns" orchestra.

Sunday morning bright and early, snowmobile enthusiasts will again be off on an excursion, this one taking them on a 60 mile journey to Kennesis Lake. A snack or hot meal will be available at the Haliburton forest and wildlife cookhouse.

Weather permitting, helicopter rides will be from the Rotary Beach Sunday afternoon, and activities for high school students will also be scheduled.

**Fresh Orange Jelly Parfait
Cheers The Winter Table**

Your market basket will look as if Midas touched it when you fill it with bright gold oranges in such good supply at your store now. Gladden your table with a dessert all a-sparkle with fresh orange flavor. Try Fresh Orange Jelly Parfait. The gelatine is made with orange juice you squeeze yourself, together with a zippy touch of fresh lemon juice and rind. Layer squares of the orange gelatine with whipped cream. Delectable and simple to do. The word "orange" goes back to the old Arabian word "narani". Oranges are great to eat out of hand for juicy refreshment and for their rich supply of vitamin "C".

Fresh Orange Jelly Parfait

- | | |
|--------------------------------|--------------------------------------|
| 1 envelope unflavored gelatine | 2 tablespoons fresh lemon juice |
| 1/2 cup cold water | 1/2 teaspoon grated fresh lemon rind |
| 1/3 cup sugar | 1 cup heavy cream, whipped |
| 1/10 teaspoon salt | 1/2 teaspoon vanilla |
| 1 1/4 cups fresh orange juice | |

Sprinkle gelatine over cold water in saucepan. Place over low heat; stir constantly until gelatine dissolves. Remove from heat; stir in sugar and salt. Add orange juice, lemon juice and rind. Pour into a 9 x 9 x 2-inch pan. Chill until firm. Cut into squares. Fill parfait glasses with alternating layers of orange jelly and whipped cream mixed with vanilla. Makes: 6 servings.

Jim Miles - Tel. 286-2880 Minden

by Lorna Rogers

CBC Radio producer John Reeves has been working overtime of late. He has two CBC Tuesday Nights coming up, both dealing with persecution. The Jan. 25 program, A Cycle of Revenge, is based on the autobiographical novel by Jaroslav Brodsky, an account of his experiences as a political prisoner in Czechoslovakia, of his release after 10 years in prison and labor camps, and his work devoted to the rehabilitation of people unjustly imprisoned on political grounds.

Feb. 1 is a three-part program. The first part is Mandelstam who was worked to death in 1938 in a Stalinist labor camp. The second part is devoted to choral synagogue music from late 19th and early 20th century Russia, and the last is a talk by Rabbi Jordan Pearlson on Soviet Jewry today.

Our Native Land, Jan 22, presents a profile of Harold Cardinal, past president and leader of the militant Indian Association of Alberta, who at present is crossing swords with Indian Affairs Minister Jean Chretien. Harold is the author of The Unjust Society, a diatribe against government mishandling and misunderstanding of our Indian peoples.

Another potentially explosive situation, less well-publicized, is that of West Indian domestics working in Canadian homes. Their work is ignored by the income tax department; there are no rules to protect the domestic worker. So in hundreds of homes, North American white and West Indian black meet and battle and lock prejudices. A hard look at this situation on Identities, Jan. 22.

One of Robert Louis Stevenson's shorer stories, The Treasure of Franchard, has been dramatized for Sunday Theatre Jan. 23, by Ronald Hambleton. It concerns a mathematics philosopher, a young boy, and the discovery of some long lost gold which changes their lives.

MINDEN STUDENT TO VISIT CARIBBEAN PEN PAL OVER SCHOOL HOLIDAYS

Two years ago, Mr. Pollard's that Canadian pen pals pray grade six class, initiated a pen pal relationship between Min- for the safety of their friends den grade six pupils, and stu- on this Caribbean island.

This March, Minden students will have their letters and prayers delivered personally, by a grade six pupil, Jim Hatkoski. Jim and his mother will leave on March 9, and make stops in Florida and the Bar- bados en route. The school in Kingstown will provide accom- odation and have promised a Recent pen pal letters from fine welcome for their Cana- dian friends.

This February grade 6 was concerned to learn that parts of St. Vincent are threatened by an active volcano on the island. Recent pen pal letters from St. Vincent have requested

JIM COOPER ELECTED PRESIDENT OF LINDSAY AND AREA REAL ESTATE BOARD

Mr. O. K. (Keith) Teetzel, Dir- ector of the Ontario Real Estate Association, was guest speaker at a meeting of the Lindsay District Real Estate Board this week.

Members attended from Lind- say, Haliburton, Minden, Bob- caygeon and Fenelon Falls areas to meet their representative and to listen to Mr. Teetzel speak on the activities of the association.

Mr. Teetzel also hosted the formal installation of the Lind- say and District Real Estate Board Executive Officers for 1972; the Officers being:-

Jim Cooper, President; Jack Huston, Vice-President and Dir- ectors, Lloyd Otto, Ken Sangs- ter, Max Hughes, Lorne Sloan and Ray Plummer.

THURSDAY SMILE

A new barber nicked a custom- er badly in giving him a shave. Hoping to restore the man's feel- ing of wellbeing, he asked soli- citously, "Do you want your head wrapped in a hot towel?"

"No, thanks," said the custom- er, "I'll carry it home under my arm."

Snowmobile Rally Big Success

The Lake Kashagawigamog first Annual Snowmobile Rally, sponsored by the Lake Kash- agawigamog Tourist Associa- tion, was held Sunday afternoon with fun and prizes for all the contestants. Starting at the Haliburton Marine, they zig-zag- ged their way down the lake to given check points, and had to find one 'hidden' check point. They were greeted by a bon fire and a welcoming grin on the face of each 'Check Point Charlie' waiting for them at Hallmar, Wright's Marina, Dunsford's Store, The Northern Eagle, Wig-a-mog, and Royal View. For spying the clues, and scouting in to the hidden post at the Haliburton Air Service, they were awarded extra points. In spite of the fact that the names of the check points are all well known in both Halibur-

ton and Minden, some of the contestants admitted that when they were on the lake, it some times took a bit of navigating to zoom in to the right bay, to 'home in' on the target.

Back at the final check point, Haliburton Marine, there was

hot chocolate and all the help- ings of delicious baked beans that the 'trail riders' could eat.

After some mathematical wiz- ardry by the 'Super Computers' the points were tallied, and prizes awarded to all who took part. First prize of the Kash- agawigamog Snowmobile tro- phy, and saddlebags, were won by Ken and Dorothy Wilson, of Haliburton. Second prize of a snowmobile helmet was award- ed to Joe and Pam Iles of Haliburton. Third prize of snow- mobile mitts and goggles went to Jean and Mike Iles, Halibur- ton. Special thanks of the Snow- mobile committee go to the officers of the O.P.P. and the volunteer patrols who helped so capably on the lake. Our sin- cere thanks, too, to the follow- ing businesses who donated the prizes for the winners;

Haliburton Marine; Lakeshore Marina; Vance English, Shell Marine, Wright's Grocery and Station; Ed Youngdale Texaco Ltd. Lloyd Moore, Imperial Es- so Station; Curry Motors; Pren- tice Roads; Elstone's Sunoco Station; Western Tire; Percy Haliburton Golf Course; The Lymburner, Skidoo Dealer; The Haliburton Air Service; Hall- mar Resort; and Deer Lodge;

WOMEN TEACHERS HOLD CONFERENCE ON THE FUTURE

Over 400 women teachers attended a conference in Toron- to on February 18-20, sponsored by the 34,000 member Federa- tion of Women Teachers' Asso- ciations of Ontario. The con- ference theme was 'Towards the 21st. Century' and delegates heard speakers and panel dis- cussions on various aspects of what the future holds in store for Canadians. Attending from this area were Mrs. Freda Stewart Victoria St. School Hal- burton and Miss Edith McAr- thur Archie Stouffer Elemen- tary School, Minden.

The conference programme included a panel discussion on the future of Canadian nation- alism, with Peter Desbarats of the Toronto Star as moderator; an address by William I. Thompson on future trends in society talks and discussion on the future of the family, the environment, the cities, medi- cine, architecture, and religion. A fashion show arranged by Stephanie Paulson showed styles from next spring to the year 2,000.

Another panel discussion with Barbara Frum of the CBC as moderator discussed the future of the schools. The dinner speaker, Jean Watson, spoke on the future of the role and status of women.

After a decade of service to the Townships of Anson, Hindon and Minden, Mrs. Anne K. Dawson retired on February 29, 1972.

Mrs. Dawson served as Assis- tant Clerk to the late Mr. Gord- on Bibby and to the present Clerk-Treasurer, Mr. Richard Parisotto. Mrs. Dawson had assumed the position of Acting Clerk a number of times dur- ing the past few years due to the illness of the late Mr. Bibby.

Mrs. Dawson, a member of St. Paul's A.C.W. and the Womens Institute plans to visit friends and relatives, do some travel- ling and devote more time to Church work and other com- munity activities.

A formal presentation was made to Mrs. Dawson when co- workers, Municipal Officials and Members of Council, gath- ered recently to extend good wishes and regards.

"WE SELL THE EARTH AND INSURE IT'S CONTENTS"

Something different at this years Winter Carnival was the open-air Chapel. Service was held here in the Fair- grounds on Sunday morning, with a good attendance. Assisting Father Hutchison was Bill O'Brien, right and the Brampton Clown band, pictured in the background.

HERE AND THERE

with Fenwick Finch

Every once in awhile during your life's work you meet someone who is just a little outstanding from the regular run of people. Such a man was Thomas H. Martin, "Tommy" as everyone knew

him, was Clerk of Verulam when I met him and in the years I worked on my job he was of great service to me from time to time. He became to be a man I admired and one whose friendship I value deeply. I don't see him much any more, but I hear from him from time to time and his short notes are always welcome. Got one from him the other day. In part it says — "the one that interested me the most was; we pay an outrageously high education tax, I didn't think anyone paid any attention to that anymore; everyone seemed content — like what one man said about the church, he found out one was supposed to pay up and shut up."

I recently read the auditor's report of the Township of — — when it showed they had contributed \$207,000.00 to Education and only \$680.00 for recreation, both for young and old. Then we wonder why our contestants don't do better in world sports."

I couldn't agree more with any remark. Mr. Martin has had a great many year's experience in Municipal affairs and I would bank on his judgement. It seems to me we should be taking a longer look as taxpayers at the education tax and what we are getting for our money — the return doesn't seem to be too high.

I've had several calls about J. Earl Palmer's letter as President of the Chamber of Commerce. I'm not going to be involved in any argument between Industry and Tourism. I couldn't agree more with Earl Palmer when he states — "that the tourist industry is the one to rely on for economic growth."

To go back in history, some 400 years in fact, the Indians of the Georgian Bay and Lake Champlain areas came here as hunters and fishers, and at no time were there any substantial villages built up in Haliburton County. We were just a place to come and relax in — 400 years later we have some villages but our main source comes from outside in the shape of tourists — they may not be Indians but they are still tourists, and greatly appreciated.

As I hung up the 'phone after trying several times to complete my call I wondered, "is this really progress?"

I still miss the "operator" and the personal touch that went with the old-time telephone. Now, the whole thing is impersonal and cold. In the old days when I couldn't complete my call I could have the operator check and see if the 'phone was in use or was there a problem.

You wanted the Doctor or anyone else for that matter — you didn't have to worry about dialling the number, you just asked the operator and you got who you were looking for, almost immediately. I grew up under the use of "central" as a clearing point and I still don't appreciate the dial system.

In times of trouble central was invaluable. When there was Hydro trouble the operator was between you and the public and usually one call was all that was necessary — central informed the other callers that the trouble was being taken care of. As soon as the operator was able to make a few check calls she would let the office know that she had pin pointed the trouble and we were in business. There are so many things central could come up with that you could write a whole article on the subject.

See you next week, drive carefully and be around to enjoy the future we have ahead of us.

What is family-size hot water?

It's *enough* hot water...enough hot water for all the baths, showers, dish washings, floor washings and laundries that it takes to keep your family and your home sparkling clean. Cascade will give you family-size hot water, because it's designed for the job.

The electrical industry put years of research into the Canadian family's hot water needs. Cascade was the result—built by qualified manufacturers to rigid specifications to assure you of dependability and complete satisfaction.

Get the Cascade with the capacity that's right for you and enjoy hot water *family-size*. Cascade, the clean, safe, efficient, electric water heater.

your hydro

CS2-5208WK

Huskies Eliminate Bobcaygeon

The Haliburton Huskies have advanced to the league semi-finals against the Bancroft Jets after eliminating the Bobcaygeon Ti-Cats in 3 straight games. The Huskies played the Ti-Cats 3 times during the last week rolling up decisive scores of 9 to 3 on Wed., 5 to 2 on Fri. and 7 to 3 on Sat. night in Haliburton. The Huskies have been shorthanded during the past few games and were able to defeat the Ti-Cats on Sat. night with only 11 men in uniform. John Parish and Paul Dawson were both out on Sat. night with injuries suffered in Fridays game. Floyd Henry joined Bob Woodcock and Larry LaPorte on defence for the game and did a fine job. The rest of the lineup were in rough shape as well as Gerry McElwain played with the flu and Roger Bain and Bev Hicks had played every night since the Tues. before. With all the problems involved the Huskies played a creditable game in front of the 305 hometown fans.

With the local High School swinging into exams this week the Huskies will be resting and trying to get back into shape for the series against the strong well balanced Bancroft team. During the regular season the Huskies beat the Bancroft club 3 times on home ice and lost 2 times on their ice. This will give the Jets an edge as they have the extra home game. The schedule has been set up and the Huskies will travel to Bancroft on Fri. night for the first game at 8:30 pm. The Jets will return to Haliburton on Sat. night at 8 pm. with the third game in

Bancroft on Wed. night at 8. If the fourth and fifth games are necessary they will be in Haliburton on Sat. Mar. 11 at 8 pm. and the fifth and final game will be in Bancroft on Sun. Mar. 12 at 2:30 pm. The Huskies are confident that they can beat the Jets but it will take an all out effort, by every member of the team. The Huskies have a bad habit of missing many important scoring opportunities and as a result have been trying to work in too close to the net. Another problem is the amount of times that they give away the puck in the oppositions end of the ice. When exams are over and their minds are back on the game, the Huskies will give any team in the league a tough series, including Bancroft and Lakefield.

The Huskies are about to make their move towards defense of their Ontario Championship and are urging all local hockey fans to come and give the local boys the type of support that they deserve. If there are any people wanting to attend the game in Bancroft on Fri. or Wed. please let Scotty LaRue know as soon as possible. There will be room on the players bus and if there is a good following there will be another bus available. Be sure to be in attendance on Sat. night as the Huskies take on the Bancroft Jets in what should be a thrilling hockey encounter, between two evenly matched clubs.

NOTICE

Edward J. Gardiner, Barrister and Solicitor is pleased to announce that A. Ronald Cork, Barrister and Solicitor is now associated with him in the practise of Law for the Counties of Haliburton and Victoria.

The Expropriations Act

NOTICE

OF APPLICATION FOR APPROVAL TO EXPROPRIATE LAND

Department Of Transportation and Communications

IN THE MATTER of an application by the Minister of Transportation and Communications for approval to expropriate in the Township of Minden, in the Provisional County of Haliburton, in the Province of Ontario.

FOR THE PURPOSE of acquiring sufficient land for the widening of Highway Number 35.

Any owner of lands in respect of which notice is given who desires an inquiry into whether the taking of such land is fair, sound and reasonably necessary in the achievement of the objectives of the expropriating authority shall so notify the approving authority in writing,

(a) in the case of a registered owner, service personally or by registered mail within thirty days after he is served with the notice, or, when he is served by publication, within thirty days after the first publication of the notice;

(b) in the case of an owner who is not a registered owner, within thirty days after the first publication of the notice.

THE APPROVING AUTHORITY IS

Minister of
Transportation and Communications
Parliament Buildings,
Toronto 5, Ontario.

Minister of
Transportation and Communications
W. G. Wible, Director,
Right-Of-Way Branch

NOTES:

1. The Expropriations Act, provides that,
(a) where an inquiry is requested, it shall be conducted by an inquiry officer appointed by the Minister of Justice and Attorney General;

(b) the inquiry officer,

(i) shall give every party to the inquiry an opportunity to present evidence and argument and to examine and cross-

examine witnesses, either personally or by his counsel or agent, and

(ii) may recommend to the approving authority that a party to the inquiry be paid a fixed amount for his costs of the inquiry not to exceed \$200 and the approving authority may in its discretion order the expropriating authority to pay such costs forthwith.

2. "owner" and "registered owner" are defined in the Act as follows:

"owner" includes a mortgagee, tenant, execution creditor, a person entitled to a limited estate or interest in land, a committee of the estate of a mentally incompetent person or of a person incapable of managing his affairs, and a guardian, executor, administrator or trustee in whom land is vested;

"registered owner" means an owner of land whose interest in the land is defined and whose name is specified in an instrument in the proper registry, land titles or sheriff's office, and includes a person shown as a tenant of land on the last revised assessment roll;

3. The expropriating authority, each owner who notifies the approving authority that he desires a hearing in respect of the lands to be expropriated and any owner added as a party by the inquiry officer are parties to the inquiry.

SCHEDULE

All right, title and interest in the land described as follows: In the Township of Minden, in the Provisional County of Haliburton, in the Province of Ontario, being:

(a) Part of Lot 2, Concession 4, designated as PART II on Department of Transportation and Communications' Plan P-2904-39 deposited in the Registry Office for the Registry Division of Haliburton as Plan 19R-212.

(b) Parts of Lot 14, Concession 11, designated as PARTS 6 and 7 on Department of Transportation and Communications' Plan P-2904-43 deposited in the Registry Office for the Registry Division of Haliburton as Plan 19R-218.

(c) Parts of Lot 7, Concession 8, designated as PARTS 16 and 17 on Department of Transportation and Communications' Plan P-2904-45 deposited in the Registry Office for the Registry Division of Haliburton as Plan 19R-220.

(d) Parts of Lot 4, Concession 7, designated as PARTS 9 and 10 on Department of Transportation and Communications' Plan P-2904-46 deposited in the Registry Office for the Registry Division of Haliburton as Plan 19R-222.

(e) Parts of Lot 3, Concession 6 designated as PARTS 10, 11, 12, and 27, on Department of Transportation and Communications' Plan P-2904-47 deposited in the Registry Office for the Registry Division of Haliburton as Plan 19R-217.

(f) Part of Lot 2, Concession 4, designated as PART 1 on Department of Transportation and Communications' Plan P-2904-54 deposited in the Registry Office for the Registry Division of Haliburton as Plan 19R-234.

NEW YORK - NEW YORK !!!

Last week I mentioned in this column that Secretary-Manager of the Chamber of Commerce, Ted Campbell was flying to New York, to inquire about the feasibility of a Travel Through Zoo, for Haliburton County. After getting the information from Ted to write last week's column, I became interested in the project, and decided to go with him to get the story first hand and take some pictures, which will appear in next week's issue.

To fill this space this week, I thought we would give you a report on some of the action we encountered while in New York, other than from a business standpoint.

First of all Mr. Dan Brennan, Executive Vice-President of Warner Bros., who are the people involved in this type of Zoo, met us at La Guardia Airport on Sunday morning in New York, from here we travelled to New Milford, in New Jersey, where we spent the rest of the day, involved in the business part of the trip. At approximately 7 p.m. we left his lodge in the Catskill mountains and drove into down town Manhattan, where we booked into the Holiday Inn it was from this point on, we took in the highlights of New York.

Mr. Brennan suggested we eat at Manny Wolf's — an exclusive steak house, where the best steaks are prepared in Manhattan, (best steak I have ever eaten, period). The waiters in this restaurant are all male, with an average age of 55. Three or four I would venture to say are in their seventies. Don't laugh, these boys knew their trade making you feel at home with good humour and courteous fast service, for their efforts they make 30 grand a year, not bad for one who waits on tables.

Our next stop was a visit to one of Manhattan's Play Boy Clubs, here we were entertained in fine fashion, and saw top performers on stage. From here, it was out to Jilly's on 52nd street. This club is owned by Frank Sinatra, and is noted for being a hang out for many members of the mafia. A few scenes of the motion picture "The Godfather" were shot here. By a streak of luck, we met Sinatra, when he walked in about fifteen minutes after we arrived. Mr. Brennan was a little envious, when we told him the next day we had met Sinatra — he said he had been going to that club for years, and had never seen Sinatra.

After leaving Jilly's, we took Mr. Brennan's list of good places to visit, and were quite impressed by the top entertainment in New York. On Sunday we managed to hit the sight-seeing early — we took in the Empire State Building, and its 102 stories, Greenwich Village, the Bowery, lower East side, Central Park, Times Square, Herald Square, and then finished off the day on 42nd street, where the unusual people are found — hippies, prostitutes, homosexuals, and wierdos of all kinds. The action here is fast, one has to watch his step, or could find himself at the bottom of the Hudson River. Even though it was Sunday, everything was in full swing.

This pretty well wraps up our trip in New York, next week we will give you a feature article, with pictures on the Zoo. Driving from our hotel to the Airport on Long Island in the limousine, we travelled with two interesting ladies from Argentina, they spoke very little English — I managed to learn only one word in Spanish, I said adios to New York as we flew out.

LETTERS TO THE EDITOR

108 Sherwood Forest Drive
Markham Ont.
February 20th, 1972

Dear Sir:

I read the letter of Mr. J. E. Palmer and Marion Henry and felt compelled to write you.

Marion Henry points out how well off everyone is because of tourism. Well, it's been pointed out already that that is 2 out of 12 months. All the expansion extra spending, new businesses and jobs she speak of rapidly dwindle off when school opens. I came up here year-round and I see many places closed for winter. Snowmobiles have changed that a little lately, but not enough to have a real affect on the area unemployment and welfare statistics.

In comparing the grant size to that of the Muskokas she doesn't mention a few details. The Muskokas have everything that we have here, but their chamber promoted the area as good for industry besides tourism.

Over the past few years, with the help of Federal and Provincial Government start-up loans, they have attracted; 1. Canadian Moor Lamp Ltd. 150 employees. 2. Canada Foils Ltd. 65 employees. 3. Corning Glass Works Ltd. 240 employees and 4. Alan Wire and Cable Ltd. (new) to employ over 200 within four years of start-up. All these are in the Bracebridge area. Huntsville has a Swedish Plastics Firm with 55 employed. Gravenhurst-Rubberset Industries 150 employees. There are also smaller places employing 50 or less people. These are non polluting industries. This C of C says distance from major consuming markets is the main factor in not having industry here, yet this area is closer than Bracebridge is to some of their markets. No wonder Muskoka can give \$25,000 to their Chamber. They get the money now because they had the foresight to not put all their eggs in one basket, i.e. tourism.

The basic problem is that the Chamber here is mostly people in the tourist industry who cannot see the dollar benefit they would derive from other types of industry in the area, therefore are not interested.

The elected representatives have a responsibility to all people in the area, and must look long and hard at where they put tax dollars, so I say to Mr. Palmer and Marion Henry and their fellow C of C members, raise your sights; get out of 'he rut' Let new industry in (because you haven't been). Forget about more lobbyist at Queens Park, there's too many now! When you do all this perhaps the Haliburton C of C will do so well, it won't have to depend on taxpayer's money to supplement its own member's dues.

Sincerely
Robert Skakie

MINDEN NOVICE TRAIL SERIES

by Cliff Burke

The Minden Novices played three play-off games last week, winning one and losing the other two to Haliburton. The fourth game is Wednesday Mar. 1st. with the fifth and final game if necessary on Friday, March 3rd.

In the first game of the series the Novices whipped out a Haliburton 4 to 3 lead with four minutes to go in the game, with four unanswered goals to win 7-4. Brian Shaw had four goals for the winners. The other goals scored were two by Tom Gough and a single by Jim Hatkoski. On Friday evening the Novices not only lost 5-2 to Haliburton, but also lost the services of David Arbuthnot with a broken arm. It was an all round frustrating evening for the Novices, as they had many chances to win, but couldn't find the net. Brian Shaw scored both Minden goals.

On Monday evening it was all Haliburton, as they trounced the Minden boys 6 to 1. This was a very disappointing showing by our Novices, who are a much better team than what they showed in this game. The Minden defence collapsed in this game and the forwards were not skating. The only bright spot on the Minden team was young Paul McKenzie who played brilliantly all evening and scored Minden's only goal on a beautiful end to end rush leaving Haliburton players sprawled all over the ice. Honourable mention must go to Terry Harrisin who was by far the best defenceman on the ice for Minden.

FIGURE SKATING TESTS HELD IN LINDSAY

A Centralized test day was held last Sunday in Lindsay. Ann Campbell and Susan Leary from the Minden Club passed their Bronze Free Skate.

CURLING —

This years winner of the Ladies Regular Schedule was Ina Brintnell, with a 7 - 2 - 1 won-lost-tie record for 75 points. The Play-offs are now under way, with Joyce Brown and Phyllis Campbell winning their first games.

The undisputed winner of the Thursday night mixed is Roy Windover with a 9 - 1 - 0 record for 90 points. The Friday night mixed winner is Doug McGee with a 8 - 2 - 0 record for 80 points. The play-offs start this week with these leagues. The race for the Championship in the Men's and Men's Senior league is coming down to the wire. With 3 games left to play there is only 20 points separating the 1st place and 6th place team in the Men's. In the Men's Seniors, 15 points separate 1st from last.

Also on the curling scene, the Minden Club is hosting the Hyland Masters Junior Men's Bonspiel on March 18th. This spiel is limited to men 21 and under. It should be very good curling with teams invited from Lakefield, Peterborough, Haliburton, Bancroft, Toronto, Lindsay, Fenelon Falls, Brockville, Port Carling and the host club. Plan to come and watch some of the most exciting action in the country. For details contact Dwight Thomas or Bill Ingram.

SHUFFLEBOARD —

Last weeks winners of the Dominion Hotel tournament were Holly Harrison and Neil Bull.

Winners of last weeks Rockcliffe Hotel tournament were Phil Sawyer and Cliff Burke.

MINOR HOCKEY —

In an exhibition game between the Minden Midgets and the Coaches - Managers - O.P.P. on Sunday evening, the midgets won 6 - 5 in the final twenty seconds of the game on a goal by John Welch. The scoring for Minden went to three players with two goals each, Wayne Harrison, John Welch and Kirk Hewitt. Scoring for the losers were Larry Kent with two, and singles to Roy Telford, Bill Deverieux and Roger Scheffee.

The Minden Pee Wee B's played their last regular season game last week and lost 5 - 0 to Ops. The loss eliminated the B's from the play-offs for this season.

ROD AND GUN CLUB —

The Minden Rod and Gun Club held a Stew Dinner and Dance on Saturday, February 26th and it turned out to be an overwhelming success. There was over a hundred people in attendance arriving at the club on some sixty snowmobiles. The food was delicious and the music was great.

The Club is planning to have another dinner and dance on March 25th, and we hope to have even more people to this dance. Anyone looking for a change of pace and great entertainment, as well as the best home made pie, stew, and rolls you've ever tasted — the Rod and Gun on the 25th is the place to go. Hope to see you all there.

HOCKEY POOL —

Congratulations to Shirley Walker for winning the Minor Hockey, Hockey Pool for the second time in two weeks. The pool is on all Saturday night Toronto Maple Leaf games. The tickets are 50c each for a pot of \$25.00.

PREDICTIONS OF THE WEEK —

Saturday, Montreal over Vancouver 6 - 2. Toronto over Los Angeles 7 - 2.

Sunday, Montreal and Philadelphia 4 - 4.

LETTER TO THE EDITOR

Minden, February 23rd.

Dear Sir:

Every winter seems to bring sad things such as deaths and loss of homes by fires and this winter is no exception.

Now I recently heard of something even worse in some respect, apparently a poor innocent dog was left tied up till he starved or froze to death and another one was nearly dead when found. How could anyone treat God's creatures in such a cruel way is beyond me. If people don't want pets they should be put to death quickly in a humane manner. It may not have been the owners fault as I did hear they were away and left the dogs in the care of a friend, I don't know if this is true or not, but it seems dreadful for such things to take place in what we used to consider a Christian Community. Please Minden residents take care of your pets so we won't hear any more stories of such neglect.

Mrs. Phil Robinson

Tell It To Your Congressman!

When any activity — social, business or pleasure — achieves wide popularity, people seem to divide into four groups:

1. They become enthusiastic, but thoughtful, advocates.
2. They ignore it.
3. They abuse it.
4. They complain about it!

And this has been true of snowmobiling — "in spades!"

Problems, of course, arise from the latter two groups: In snowmobiling, it's the few who abuse the sport by riding roughshod over others' property, chasing down game and creating unnecessary "trouble" of all variety — and those who condemn all snowmobilers for the unthinking acts of these few "bad apples."

Considering this typical situation, the recreation experts at Mercury snowmobiles suggest that more, many more, of the considerate, intelligent enthusiasts for this new sport make their views known — by "telling it to your Congressman!"

In practical terms, this means writing to your two U.S. Senators and the Congressman for your area, and to the State legislators elected from your community. (Your local newspaper can provide addresses and advise on the correct forms of address.)

And what do you say in your letter? Well, you might describe how your family enjoys snowmobiling, safely and in consideration of others.

We suggest also that you urge them to create laws that control and punish the abusers — while preserving and promoting snowmobiling for the vast majority of enthusiasts.

ABOUT THE TOWN

With Jeanne Sears

The Pioneer Satellite is to be launched towards Jupiter and will send back communications to earth for ten years. It bears a plate telling when it was launched and why. Cost of this was in the millions. Perhaps some of us will be living long enough to travel to another planet.

Senior citizens at the Hyland Crest having birthdays last month were Alice Fearrey, Mabel Lyons, Albert Quble, William Deacon and Garnet Snell. Best wishes to all these as well as to Mrs. K. Daniel who also had a birthday last month.

Patients at the local hospital early this week were James Cox, George Kendall, Mrs. Helvi Kaasaleinen, Carianne Cameron, Wayne Moxam, John Kinnear and Mrs. E. A. Rogers. New arrivals were a baby boy for Mrs. Dennis Davis and grandsons for Mrs. Ethel Leigh and the Roy Bishops.

Mrs. Allan Taylor was in Toronto early this week to attend the funeral of her brother-in-law Mark Wilson.

Jean and George Hewitt are home again and report having a happy holiday in sunny Florida.

Winner of the Hockey Pool last weekend with half the proceeds for Minor Hockey, was Shirley Walker — her prize \$25.00.

Wonder how many business people realize, that if they park on Main Street early in the morning, know that they hinder the removal of snow. We noticed in Fenelon Falls the streets were not nearly as well cleared as our own; so thanks should go to the local gang

At the Mini Card Party last Thursday afternoon at St. Pauls Parish Hall winners were for cribbage Joyce Hewitt and Mary Maidens and for euchre Lil Stevens and Minnie Low. After the games a presentation was made to Jean Hyde as she will soon be leaving to take up residence in Brussels.

After three weeks spent at St. Josephs Hospital, Peterborough Mrs. Harry J. Cowan is now a patient at Princess Margarets Hospital, Toronto for treatment.

Members of Minden W.I. attending the 75th Anniversary Party for F.W.I.O. held at Fenelon Falls United Church Hall, February 22 were Mrs. Lyman Cox, Mrs. W. Cox, Mrs. W. MacArthur, Mrs. V. Cowan, Mrs. K. Daniel, Mrs. F. Buttamor, Mrs. D. McLennan, Mrs. C. Stevens Mrs. A. Hall, Mrs. F. Wright, Mrs. Wallace Walker, Mrs. Alan Taylor and Mrs. Sears. The programme was historical and interesting with the Hostess Branch, Fenelon Falls ladies in Period Costumes. Everyone enjoyed a social half hour and cup of tea served by the hostesses.

Ladies don't forget the short course, "Furniture Facts" to be held at the United Church Hall, Tuesday, March 2 from 10 to 4 with a pot luck lunch. Everyone is welcome and only a silver collection to take care of expenses.

Snow seems to be settling, the sun is really warm when we see it.

Cheerio until next week.

TOWNSHIP OF LUTTERWORTH

GRAVEL TENDERS

Two separate quotations are requested as set out below.

1. 4,000 cu. yd. gravel from one pit.
2. 1,000 cu. yd. gravel from one pit.
3,000 cu. yd. gravel from another pit.

In both cases the material is supplied. The 4,000 cu. yd. of gravel to be crushed to $\frac{5}{8}$ " off the belt.

Work to be completed by June 30th.

Lowest or any tender not necessarily accepted.

Tenders to be submitted on or before March 3rd.

Box 342, Minden, Ontario

This notice will advise you that we have sold our fuel oil business to Gulf Oil Canada Limited and as of February 28 deliveries will be made by Mr. John Sault, the Gulf Agent in Minden.

We are also very pleased to announce that Mr. John Francis, whom you all know as our chief serviceman and installer, has purchased our heating business and will now assume Gulf's service and in particular continue to provide the 24 hour service and the annual inspections for all of you our former customers. John is licensed and very well qualified, having worked and trained with us for the past seven years and I'm sure you, as we do also, wish him well in his new endeavour. Because of his vast knowledge regarding our deliveries and the various oil heating installations, I'm sure he will prove invaluable to Gulf and in particular to Mr. Sault, since he will also be helping out with deliveries.

Gulf will also purchase our accounts receivable so henceforth the billing and statement's will be issued by their Agent.

Over the years despite certain ups and downs, we have enjoyed servicing you, and have especially appreciated the many friends we have made through our business relations; these are things that we will remember most about the heating business. Thank you everyone.

I hope you will remain as loyal to Gulf as you were to "J. O." and with better facilities much closer at hand and a much larger organization, I know service will be as good or better.

Thank you again most sincerely for your years of patronage and support.

Yours very truly

J. O. Jackson.

DOLLARS AND GOOD SENSE

by William J. Martin

Mr. Martin serves as special consultant to Avco Financial Services. All questions should be sent to him at P.O. Box 5875, London Ontario, Canada. Those containing a name and address will be answered in this column or by direct return mail. No names will be used in print.

In the market for a new home? Here's a handy checklist of what you should be looking for according to a variety of lenders.

Location, of course, is all important, not only for your living pleasure, but also for maintaining resale value. Check local zoning ordinances, check for a good school system and check for the nearness to shopping and recreation areas.

Check last year's tax bills then add 5 to 10 percent to estimate current taxes. Check running cost such as painting, lawn care and replacement of worn parts. If a house is 10 to 15 years old, you can figure on costs of about 2 percent a year of the house price.

Check on utility costs-heating, electric, gas and telephone. Is the house structurally sound? Get an expert to check it out before you buy.

Look in the telephone book's Yellow Pages under home inspection services. An inspection could cost about \$50 to \$100, but it will tell you whether you need immediate remodeling or repair work.

Check the architecture of the house. How's the floor plan and room arrangement?

Take a look outside the house. Check the lot and landscaping. The house ideally should be situated on its lot for outdoor privacy in summer and properly oriented in relation to sun wind and trees.

Then check the mortgage. Be sure you can afford the monthly charges for the mortgage on the specific house you buy.

Don't forget the closing costs. These include fees for legal services, the title search, recording, surveys, and other necessary services.

It pays to spend some time doing homework, before you buy, even before you start house-hunting. You can get a lot of good information on house buying at your library, in magazines, or from your local bank.

LETTER TO THE EDITOR

Toronto Ontario

Dear Mr. Greir;

I, and my family have been summer residents and taxpayer in Haliburton for over 30 years. Until two years or more I didn't know a Chamber of Commerce existed.

Why are the natives of Haliburton so apathetic to having their County recognized as a summer and winter paradise?

They are ready and willing to take our money which provides their very existence, but can't see that we, the summer residents are important!

You need a council that should realize that; In the next election let's get people who are more aggressive and far-seeing for Haliburton's future.

It pays to Advertise!

For some reason 'The Haliburton Echo seems to resent Progress. (no pun intendel).

Good Luck to your paper,

Mrs. G.T. Stewart

Escape To The Outdoors

Outdoor enjoyment begins on wheels for millions of families who own recreational vehicles such as these popular travel trailers. With these recreational vehicles, and a number of other types and sizes, home comfort rolls along wherever you go—across the nation or just into the next county. Many models of recreational vehicles use portable liquefied petroleum gas for cooking, heating water for galley and bath, and keeping food and beverages cold and safe in the gas refrigerator. During cool days and seasons, an LP-gas heater keeps the interior of the vehicle snug and warm. Versatile LP-gas also provides fuel for nighttime lighting. Recreational vehicle enthusiasts can replenish their fuel supplies at more than 9,000 LP-gas refueling locations in the U. S., Canada and Mexico.

The Expropriations Act

NOTICE

OF APPLICATION FOR APPROVAL TO EXPROPRIATE LAND
Department Of Transportation and Communications

IN THE MATTER of an application by the Minister of Transportation and Communications for approval to expropriate in the Township of Minden, in the Provisional County of Haliburton, in the Province of Ontario.

FOR THE PURPOSE of acquiring sufficient land for the diversion of Highway Number 35.

NOTICE IS HEREBY GIVEN that application has been made for approval to expropriate the land described in the schedule hereto.

Any owner of lands in respect of which notice is given who desires an inquiry into whether the taking of such land is fair, sound and reasonably necessary in the achievement of the objectives of the expropriating authority shall so notify the approving authority in writing,

(a) in the case of a registered owner, service personally or by registered mail within thirty days after he is served with the notice, or, when he is served by publication, within thirty days after the first publication of the notice;

(b) in the case of an owner who is not a registered owner, within thirty days after the first publication of the notice.

THE APPROVING AUTHORITY IS

Minister of
Transportation and Communications
Parliament Buildings,
Toronto 5, Ontario.

Minister of
Transportation and Communications
W. G. Wigle, Director,
Right-Of-Way Branch
NOTES:

1. The Expropriations Act, provides that,
(a) where an inquiry is requested, it shall be conducted by an inquiry officer appointed by the Minister of Justice and Attorney General;
(b) the inquiry officer,
(i) shall give every party to the inquiry an opportunity to present evidence and argument and to examine and cross-examine witnesses, either personally or by his counsel or agent, and
(ii) may recommend to the approving authority that a party to the inquiry be paid a fixed amount for his costs of the inquiry not to exceed \$200 and the approving authority may in its discretion order the expropriating authority to pay such costs forthwith.
2. "owner" and "registered owner" are defined in the Act as follows:
"owner" includes a mortgagee, tenant, execution creditor, a person entitled to a limited estate or interest in land, a committee of the estate of a mentally incompetent person or of a person incapable of managing his affairs, and a guardian, executor, administrator or trustee in whom land is vested;
"registered owner" means an owner of land whose interest in the land is defined and whose name is specified in an instrument in the proper registry, land titles or sheriff's office, and includes a person shown as a tenant of land on the last revised assessment roll;
3. The expropriating authority, each owner who notifies the approving authority that he desires a hearing in respect of the lands to be expropriated and any owner added as a party by the inquiry officer are parties to the inquiry.

SCHEDULE

All right, title and interest in the land described as follows:
In the Township of Minden, in the Provisional County of Haliburton, in the Province of Ontario, being part of Lot 3, Concession 5, designated as PART II on Department of Transportation and Communications' Plan P-2904-41 deposited in the Registry Office for the Registry Division of Haliburton as Plan 19R-214.

This Notice first published on the 2nd day of March, 1972.

CBC's MAN IN LONDON

CBC's London correspondent, Tom Earle (left) and a member of the famed Horse Guards are shown in Whitehall, Earle's assignments take him to different parts of Britain, to Europe, where he reports on the European Common Market, and to Belfast, to cover the explosive situation in Northern Ireland. He is seen frequently on CBC-TV The National, and he also reports regularly on CBC Radio's The World At Eight. Before his posting lasting August, Earle was the CBC's Ottawa Bureau Chief.
